28 December 1956

MEMORANDUM FOR: Ad Hoc Requirements Committee Members

SUBJECT: Matters for your information

Submission of Target Lists, 28 December 1956 to 7 January 1957

1. I am informed by Operations that for reasons operational there will be no activity requiring target requirements from Friday, 28 December 1956, to Monday, 7 January 1957. The latter date is tentative, and I will notify you promptly when a final date has been established for the resumption of operations.

Exchange of ELINT [REDACTED]

50X1

2. CIA has approved the recommendations of the Ad Hoc Requirements Committee as follows:

a. That CIA make available [REDACTED] the technical ELINT reports which are considered raw intelligence as read from the tapes.

50X1

b. That each agency be permitted to exchange finished intelligence reports based on ELINT with its opposite number with the condition that each initiating agency is responsible for maintaining a register of such exchange including title and date of exchange. The CIA ELINT Staff Officer, Dr. Clark, will arrange to maintain and circulate to the agencies a roster of all exchanges reported.
